WAR IS TEST, SAYS IL DUCE

Possibility and Utility of Perpetual Peace Discarded in Mussolini Statement

Associated Press
 New York, Jan. 15.—In an exposition of Fascism published here, Premier Mussolini of Italy declared war is the only real test of a people and repudiates the democratic theory of government by the majority.

His views, incorporating many statements he made previously on the philosophy of Fascism, appear in *Il Duce* magazine, the publication of the Carnage Movement for International Peace.

"Fascism is not a completely individual thing," *Il Duce* writes, "and this means that to-day Fascism, embracing its critical sense upon itself and upon others, has formed its own distinct and peculiar point of view, to which it can refer and upon which, therefore, it can act in the face of all problems, practical or intellectual, which confront the world."

NO PERMANENT PEACE
 "And above all, Fascism, the more it considers and observes the future and the development of humanity quite apart from political considerations of the moment, believes neither in the possibility nor the utility of permanent peace."

"It thus repudiates the doctrine of pacifism—born of a renunciation of the struggle and an act of cowardice in the face of sacrifice."

"War alone brings up to its highest tension all human energy and puts the stamp of nobility on the peoples who have the courage to meet it."

"Fascism repudiates any universal embrace, and in order to live worthily in the community of civilized peoples watches its contemporaries with vigilant eyes."

FURSE SNATCHED

STEVENS AND NOMINATION
 Montreal, Jan. 15 (Canadian Press).—The first I have heard of it," said Hon. H. H. Stevens, M.P., former Minister of Trade and Commerce, when advised here of published reports he was to be offered the nomination in London County, Ontario, by Conservatives at the forthcoming Dominion election.

"JAFSIE" HEARD AT HAUPTMANN TRIAL

An impression of how Dr. John F. Cullen, elderly brewer, New York, educator, appeared while testifying at the Hauptmann trial at Washington, D.C., last Wednesday and Thursday, is given by the above picture. He wore spectacles and the "Jafsie" which he received the future \$25,000 ransom for the Lindbergh baby at a cemetery in the Bronx.

VANCOUVER TO PAY INTEREST

Will Meet \$360,000 Obligation in England in Full on February 1

Canadian Press
 Vancouver, Jan. 15.—The half-yearly payment of \$360,000, representing interest at 4 per cent on approximately \$1,440,000 of city of Vancouver debt, due to the city of London, England, on February 1 will be met in full.

Mayor G. G. Macdonald called the city's fiscal agents in London to that effect yesterday.

The mayor and council have proposed that interest on Vancouver's bonded debt be cut 50 per cent.

Mr. Macdonald expressed confidence the city will ultimately have not only a surplus, but a considerable one from the provincial government in dealing with the city's financial problems when the commission on Premier T. D. Pattullo's reported statement, he would not consider Mr. Macdonald's proposal for a provincial-municipal debt refunding commission.

"I am hopeful, despite what Mr. Pattullo has said, that in the end we will have, not only the co-operation, but the sympathetic assistance of Mr. Pattullo and his government, because I am sure the time will come when he will realize that saying 'no' will not solve our problems," Mr. Macdonald said.

JOINT PROBLEM
 "Mr. Pattullo assumes the provincial government has more than it can take care of in looking after the province's difficulties and that would be the provincial situation straightened out, the municipal situation must be solved."

"I am of the opinion that our municipal and provincial situation must be recognized as a joint problem and that we must work out the problem of Vancouver's financial difficulties by securing the co-operation of the provincial and national governments."

CITY SOLICITOR RESIGNS
 Calgary, Jan. 15 (Canadian Press).—L. W. Brookings, M.C., city solicitor, here for the last fourteen years and internationally known as a public speaker, has resigned to take the position of special counsel for a grain firm with headquarters in Winnipeg. He made the announcement yesterday on his return from a business trip to the Manitoba capital. Mayor Andrew Davidson respectfully accepted Mr. Brookings' resignation.

EXHIBIT AT TRIAL OF HAUPTMANN

The wire and tape thumb guard pictured above has been an exhibit of evidence at the trial of Bruno R. Hauptmann at Washington, D.C. It was worn by the Lindbergh baby, Betty Gow, nurse, testified she found it 100 yards from the house some time after the kidnapping. Mrs. Lindbergh identified it.

NANAIMO IS SATISFIED

Mayor J. Barsby Speaks to Council Following His Re-election

Nanaimo, Jan. 15.—"I can wear the same hat to-day as yesterday," said Mayor J. Barsby at the city council meeting last night, in referring to his re-election by acclamation for the fourth consecutive year. "To me it indicates that the taxpayers are satisfied with the administration of this board during the last year. It also indicates to my way of thinking that the three aldermen seeking re-election will also be returned, and I hope they are."

Harmonious relations among members of the board helped to lighten the arduous duties of a difficult year. The city hall staff were very faithful, too."

He invited the press and the 1935 council to an open supper on January 24, which has been given annually by mayors for many years past.

A report submitted by the city engineer showed the highest number on record in 1934 was 254, and lowest 224, as compared with 225 high and 180 low in the previous year. The total cost for relief last year was \$14,000, as compared with \$7,551 the previous year.

SAYS BENNETT MASQUERADES

Hon. Ian Mackenzie Challenges Sincerity of Premier in Advocating Reforms

Canadian Press
 Port William, Ont., Jan. 15.—The sincerity of Prime Minister R. B. Bennett in inaugurating a proposed reform program was challenged by Hon. Ian Mackenzie, Liberal M.P. for Vancouver Centre, in an address here yesterday evening.

Speaking to an audience that crowded the municipal auditorium, the former Minister of Immigration in the King cabinet, termed the Premier's address as "semi-socialist, full of vagaries and verbiage."

"Premier Bennett," he declared, "is masquerading across the stage of Canada, posing as a prophet and benefactor and winning on the eve of a general election after four years of miserable failure at the helm of affairs."

"During the last four years the Liberal opposition has advanced some of the very reforms now proposed by the Premier, Mr. Mackenzie said. 'They were consistently ignored. The Premier, he added, would never be able to institute reforms until the control of credit has been taken from private corporations and placed in the hands of the government.'

Mr. Mackenzie is on his way to Ottawa for the opening of Parliament.

EDMONTON TAX PLAN DEBATING

Edmonton, Jan. 15.—Before the Edmonton council decision whether to ask power to impose a 50 per cent tax on all unsecured investments, including interest and dividends, the matter will be debated on at the forthcoming municipal conference at Calgary on January 25.

The council yesterday evening, dealing with the report of the finance committee which recommended adoption of the proposed measure, declined to decide in advance of the conference that the subject can be placed on the agenda for the Calgary conference.

CALIFORNIANS DEBATE PLANS

Progressive Democrats Propose Production-for-use Schemes

Associated Press
 Sacramento, Calif., Jan. 15.—The Progressive Democratic bloc of the California Legislature, comprising the Republicans, to-day had laid their main programme, built around the production-for-use theory advanced by Henry Winchell, before the Senate and Assembly.

In essence of its proposals, chief of which is a "rehabilitation act," under which a state relief administrator would have power and money to establish factories and exchange depots manned by the unemployed.

One of the supplemental bills would impose income and succession taxes and the others would amend the present alms, inheritance and corporation franchise taxes.

In none of the measures is a reference made to "E.P.C.U." the title which Winchell gave his programme during his recent unsuccessful gubernatorial campaign.

The income tax would be levied against net earnings, starting at 5 per cent on the first \$1,000 and increasing progressively to 10 per cent on the first \$5,000.

From that point the rates would leap sharply, reaching a maximum of 70 per cent on income of \$1,000,000 or more.

Funds For Families Of Nine Victims

Canadian Press
 London, Jan. 15.—The fund for relief of families of victims of the Great Orested colliery disaster totals \$2,725,000, it was learned to-day. After the central relief fund committee paid funeral expenses and other immediate expenses of the bereaved persons, there remained about \$10,000 for each dependent family.

An explosion and fire swept the Great Orested colliery in Wales last September and 250 lives were lost.

Late J. Dillinger's Lawyer Acquitted

Chicago, Jan. 15.—John Dillinger's lawyer to-day had been acquitted of a charge of conspiracy to harbor him. A federal court jury agreed that Louis Fiquette, one-time city prosecutor, was within the rights of an attorney in his dealings with the late desperado.

The government charged that Fiquette had entered into a conspiracy to hide Dillinger while facial operations were performed in an effort to disguise the gangster.

EVIDENCE GIVEN BY "JAFSIE" AIDE

After Dr. J. F. Cullen had testified last week at the trial of Bruno R. Hauptmann at Washington, D.C. Al Bick, alias, former heavyweight prizefighter, gave evidence today. Bick acted as bodyguard to Dr. Cullen during the latter's efforts to contact the kidnappers—allegedly, which occurred in "Jafsie" giving Bick of Cal. Lindbergh's money to "Jafsie" now identified as Hauptmann by Cullen, at a cemetery in the Bronx, New York.

HALFAX DAY OF PRAYER URGED

Canadian Press
 Halifax, Jan. 15.—A challenge to set aside a day of "repentance and prayer for civic righteousness" is before the Halifax City Council.

Inspired by similar action in Vancouver, Rev. J. A. P. Gilchrist, pastor of St. John's United Church, voiced the challenge during a Sunday sermon.

"Why does Vancouver need a day of prayer any more than Halifax?" he asked. In Halifax, he said, civic authorities were "responsible for placing a great many temptations in the way of the people," and it was up to them to take the lead in fighting evil with prayer.

"Why," he questioned, "was Vancouver's action news?" he indicated. He declared, that Canada had ceased to acknowledge God, except formally. Sunday, the day of prayer and worship, was being turned into a day of amusement and sport.

Championship Galas For Victoria and Vancouver Suggested

THE SPORTS MIRROR

LONG HAVE BEEN the sports men and women of Victoria and Vancouver who have been waiting for a big event to take place in the city of the Strait of Georgia. It has been pointed out that the British Columbia Amateur Athletic Association, which has been organized since the second round of the fight put the blame on the former madman, who did not want to see the title of 1935 in the hands of the victor.

The editor of the "Times" has been told that the fight put the blame on the former madman, who did not want to see the title of 1935 in the hands of the victor.

and a million dollars worth of goods to that of the victor fight game—with that one punch that floored him.

Since his championship go with the great Primo Carnera, he has done nothing more to enhance his reputation as a heavyweight king than pose with pretty girls in that town.

The same punch had the effect of awakening the face to the fact that there still was hope for revival of the fight game.

Move Launched To Stage Provincial Title Meets Soon

Vancouver Proposes Scheme as Forerunner to Big International Event Later

LEAGUE WILL DISCUSS PLAN

Two big British Columbia championship galas, one here and one in Vancouver, in the near future may result from conversations yesterday evening between Wm. Byers, Vancouver Amateur Swimming Club representative, and Captain M. D. Harbord, president of the Vancouver Island Swimming League and the Victoria A.S.C., along with other leading swimming officials here.

Mr. Byers, although meeting the local leaders unofficially, carried the backing of his club in the suggestion advanced for the big move. Providing they were successful, he advanced the view they might be used as sure runners to a big international gala in which Victoria, Vancouver, Seattle and Portland would be invited to compete.

The matter will be given the serious attention of the Vancouver Island Swimming League at its meeting in the T. M. C. A. on Monday evening. Word will go forward to the Vancouver body immediately following the local meeting to advise the main body of the Victoria's views on the proposal.

Mr. Byers suggested a programme of British Columbia championships only for the Victoria and Vancouver sides. He proposed a list of eight provincial title events for each month. To overcome the costs entailed in securing that number of championships, he pointed to Vancouver's record for a reduction in medal prices. In the Victoria City action had been taken to eliminate the usual series of medals and give one disc only to the winner of the event with diplomas for second and third finishers.

Mr. Byers voiced a plan for greater co-operation between Victoria and Vancouver, explaining that eliminating the series of medals and diplomas for second and third finishers had been formed there.

It was understood that if Victoria entered into the double gala scheme, it would be on the understanding that traveling swimmers would pay their own way to the events here and in Vancouver. Gate receipts from each would be used to help defray costs of traveling.

SAANICH SOCCER LEAGUE RESUMED

Burnside, Bluebirds and Strawberry Vale won their opening second half games in the Saanich and District Football League on Sunday.

Burnside overcame Marigold, first half champions, 3 to 2 at Burnside Road, while Bluebirds scored a 3 to 1 victory over Admirals Road and Strawberry Vale downed Victoria Indians 4 to 0.

Police kindly detoured traffic from the street when teams—senior, intermediate, junior and juvenile—were in action.

Between contests both Patrick and Richmond addressed the boys. The former said the greatest tribute a hockey player could have was the ability to take it gracefully, whether it be in victory or defeat.

"When the one great center came to write against your name, he wrote not that you won or lost—but how you played the game," quoth Lester.

Police said that since formation of the roller-skating hockey league, the boys play hockey instead of indulging in old-time gang fights.

A special meeting of the Juvenile Football League will be held in the roller-skating hockey league on Tuesday at 7:30 o'clock. All clubs are requested to have delegates present.

Philadelphia, Jan. 13.—Vince Dundas, former midweight boxing champion, was defeated by a local fighter in a ten-round bout at the Arena, both fought 10.

Canadian Boxing Title at Stake

Montreal, Jan. 14.—Gregory Grigorovich, Montreal, will meet American Louis, Quebec, in Quebec January 25 over the two-round route for the flyweight championship of Canada, Sunday night, January 26, 1935. The bout has been sanctioned as a title encounter by the Canadian Boxing Federation, Ottawa club.

RIBBONS WILL OPPOSE BEND

Touring Oregon Basketball Team Will Perform Here Tomorrow Evening

Three basketball games will be played at the Victoria High School gym to-morrow evening under the auspices of the Victoria and District League. In the feature will be the Blue Ribbons who will stack up against the touring Oregon team.

Although the Bend players were beaten 10 to 16 at Duncan yesterday evening they are expected to make a better showing against the Ribbons. No doubt the invaders were pretty tired for the game at Duncan and their play suffered as a result.

The second fixture will be the touring team of the play-off in the women's single B section between the Panthers and Ducks. The teams will play a two-game series, total points to count.

Duncan, Jan. 13.—Playing center basketball from start to finish, Shell Oil hoopers yesterday evening defeated Ray Brown's touring team, 19 to 16, in a game that was a real exhibition of the season, with E. Evans, E. Smylie and Collier displaying great shooting ability.

The teams and scores follow: Shell Oil—D. Pitt, E. Evans, 10, D. Whan, E. E. Smylie, 13, E. McInnes, Collier, 10, D. Jack and D. Stock, 11, total 45.

Peden and Van Kempen Win Kansas City Race

Kansas City, Jan. 14.—Piet Van Kempen and Torchy Peden, Victoria, B.C., the world champions of like racing, staged a greatly big change in their habits to-day after winning Kansas City's international six-day event in the last few minutes of furious pedaling.

The final total point standings: Van Kempen-Peden, 5,600; Crossley-Wallace, 3,200; Werner-Melba-Joseph Clignot, 2,800; Frank Bartlett-Tony Bracken, 1,975; Ed Schiller-Lefage, 500; Mike de Wit-Spo-Thurmont-Bogge, 1,000, and Steve Van Blankenbrouck-Miller, 500.

Jack Adams Shakes Up Detroit Wings

Will Break Up Famous Weiland-Aurie-Lewis Montreal Maroons To-night; Hopes to Divide Scoring Strength; Three Other N.H.L. Tiffs

Jack Adams has decided New York Rangers are getting too close to his Detroit Red Wings for comfort and is about to do something about it. To-night at Montreal, when Wings play Maroons, he will break up his famous Weiland-Aurie-Lewis line so scoring strength may be more evenly divided.

Earl Lewis is to go to the second line, with Ron Macfarland and Tank Boyd, whose play-making ability may do more good. Johnny Gurell will take Lewis's place with Corey Weiland and Larry Anderson. Weiland and Lewis lead the American section of the National Hockey League in scoring and Aurie is only a point behind Adams.

Adams emphasizes he is only experimenting and if the change has not the desired effect he will reassemble the line that was generally credited with carrying the Wings to the National League title last spring.

Hangers meet Amers. Even though he is in a tight spot to-night, heading a win to keep the Wings in the lead, Adams does not feel he is taking great chances by the move. If Wings should lose and Adams with the letter, in the American division, would be only half a game behind the Detroiters and have two games in hand.

Playing a game that was on edge from February 18 at Chicago, the Wings, Toronto Leafs go to the Black Hawks home to-night to attempt to repeat the 3 to 1 losing they gave Can-Am's Leafs at Chicago.

At Seattle the Wings will attempt to lengthen their point lead over Hawks at the head of the American section standing by taking St. Louis Blues.

Birmingham, Ala., Jan. 13.—Freddy Miller, Cincinnati, generally recognized as the best pitcher in the world, easily out-pitched Tommy Rogers in a ten-round bout at the Arena, both fought 10.

SHUTTLE DRAW IS ANNOUNCED

Victoria Badminton Club Title Play to Open at the Willows To-night

Applications for Victoria Badminton Club championships will open their campaigns this evening at 7:30 o'clock in the men's singles division.

With a number of the city's best players included in the list of entries some hard matches are anticipated. Play will be continued on Thursday evening at 7:30 o'clock and successful contenders will advance to higher rounds in games on Saturday evening.

To-night's draw follows: 7:30—D. Blundell vs. R. Hayward, W. Dalrymple vs. E. Holmes, D. Fish vs. A. Fitzhugh, R. Blundell vs. C. Clark, Mrs. R. Hayward vs. Miss H. Peden, Miss D. Cooper vs. Miss H. McCall.

8:15—H. Francis and Hayward vs. McQuade and Foyate, D. Fish and G. Lane vs. A. Evans and W. Dillabough, Miss Dunneil and Peden vs. Miss H. McCall and R. Harris, E. Shillington vs. A. Morris and A. Burton and E. Holmes.

8:30—Miss G. McCall and Edna R. Hayward vs. Miss H. Greaves and M. McDonald.

All players entered in the tournament are requested by club officials to be on hand, so other matches will be played.

At the meeting the local body announced dates for the usual inter-city games. This year Vancouver will play Victoria here on July 1, while the Capitals will return the favor on Labor Day, meeting a team from the Terminal City on that date.

The locals have also asked Vancouver to handle the British Columbia Cricket Week again this year. According to the rulings it should have been held here during 1935, but the Victorians are anxious to have the maintenance take it over for another year.

A move was launched for the formation of an umpire's association. At present the city is deficient in the number of men selected for umpire duty. Without willing any criticism of officials used in the past, the association is anxious to build up a regular association and to make the standard this year.

The association officially accepted the offer of C. Aubrey Smith, Hollywood, to bring two teams from California to Victoria during July.

George Dunlap and Partner Win Wolf. Vancouver, B.C., Jan. 13.—George T. Dunlap, Jr., former National amateur champion, and E. L. Scullion won their first round match in the thirty-five annual semi-annual and tournament yesterday, defeating C. E. Blair, Coquitlam, and W. R. E. Ward, Northville, Ohio, 4 and 2, in the best ball event.

Dunlap and Scullion had a hot ball of 62. The tournament is being played under handicap but the former amateur champion shot a great record, with Club members taking the club.

Misses, Italy, Jan. 13.—Winnipeg's Margaret Stewart defeated the Misses Hockey Club 3 to 1 yesterday evening in a match which was held at the Victoria Curling Club.

Stewart, who was defeated by the club's own players, was a good shot, with Club members taking the club.

Such a plan is under way to-day, sponsored by the Canadian Association and endorsed by the B.C.A. in an effort calculated by officials close to the game to take Peden's mind off professional tennis and motion picture offers that have been making him a sporting black eye for the last year.

While the United States Lawn Tennis Association has not received any official notification of Canadian officials' motion to depose the International Federation's rule regarding motion picture acting, Walter Merrill, president of the U.S.L.T.A., made it plain to-day that he is definitely opposed to the plan.

"I can see no reason for such a change," Hall said. "I think for any amateur player to be allowed to receive substantial compensation for any lawn tennis action film of himself would be a definite violation of the spirit of the amateur rule. As for myself, personally, I am opposed to it."

Wormald named President to Succeed Gilbert Heinekey. Jack Wormald yesterday evening replaced Gilbert Heinekey as president of the Tillamook Athletic Club at the eleventh annual meeting of that club in the Douglas Street headquarters, Thursday night last.

The club's finances were in excellent shape, the annual statement revealed, with other reports, was approved by the meeting.

A vote of thanks was tendered to Heinekey, retiring president, for his valuable and efficient service during the year.

The first and probably the longest ever played in either professional or amateur circles, went to the Davis Cup players after Lot's placement down. Tilden's service in the fifty-fifth game. George then held his own to win out the set.

Canter went with service until Tilden yielded his delivery in the thirty-fifth game, which gave Lot and George an 18-17 lead. George, however, was unable to stand the pressure, his brilliant rivals applied against his service in the next game and broke to acquire the set.

Before the doubles match, Tilden gained an 8-6, 7-5 singles victory over Lot in their rubber match.

U.S. BODY IS AGAINST PLAN

Will Not Support British Tennis Leaders in Move Regarding Film Work

New York, Jan. 13.—The British Lawn Tennis Association cannot look to the United States Lawn Tennis Association for support in the movement endorsed by the British body to have amended a rule prohibiting amateur players from receiving compensation for appearing in lawn tennis action films.

Such a plan is under way to-day, sponsored by the Canadian Association and endorsed by the B.C.A. in an effort calculated by officials close to the game to take Peden's mind off professional tennis and motion picture offers that have been making him a sporting black eye for the last year.

LOTT WILL BE MARRIED SOON

Famous Tennis Star Announces Engagement to Miss Edith L. Collison

Boston, Jan. 13.—George H. Lott turned to professional tennis to win the heart of a Wakefield girl. The romance has been a secret for several years and announcement of Lott's engagement to Miss Edith L. Collison, Wakefield, was to be kept very much under cover until Friday.

His happiness got the better of him yesterday evening, however, and just before he stepped onto the tennis court at the Boston Garden he "spilled the beans."

"The engagement will be announced formally next Friday," Lott said, "and we probably will be married in June."

The honeymoon will be spent in a trip to Russia, China and Japan where Lott will give tennis exhibitions.

It was an exhibition that brought him to Boston yesterday evening, when he lost a straight match to the incomparable Bill Tilden and, with Lester Stedden, was defeated by Tilden and Elsworth Vines in a doubles match.

Boston, Jan. 13.—Bill Tilden and Elsworth Vines gained their fourth straight victory in five starts against George Lott and Lester Stedden, by score of 50-31, 6-4, 6-4, before 5,500 spectators, at the Boston Garden yesterday evening.

The first set, probably the longest ever played in either professional or amateur circles, went to the Davis Cup players after Lot's placement down. Tilden's service in the fifty-fifth game. George then held his own to win out the set.

Charlie Conacher Now Setting Pace For National Hockey League Snipers With Thirty Points; Boucher Jackson One Point Less; Schriner Still Gaining

Montreal, Jan. 13.—Leadership of the scoring race in the National Hockey League continues to be a friendly duel between Harvey "Busher" Jackson and Charlie "Chuck" Conacher of Toronto Maple Leafs.

This week Conacher jumped ahead of Jackson in the bi-divided point standing and leads his teammate by a single point, according to the official figures given out yesterday at the offices of the league.

Conacher picked up seven points in a scoring spurge in the past week to boost his total to sixteen goals and fourteen assists for a total of thirty points, one better than Jackson, who has sixteen goals and ten assists.

Schriner will be up. Eight points behind the "Busher" is a surprising young Calgary gentleman, Guseney Schriner, New York Americans. The most sensational rookie scorer of the year, Schriner has scored nine goals and twelve assists for a total of twenty-one points.

In the United States action, Detroit Red Wings' first line captured scoring laurels. Cooney Weiland and Earl Lewis are tied for the leadership with twenty-two points apiece, with Larry Aurie, third member of the unit, right behind them with twenty-one points.
